OUR WINERY WAS BORN UNDER A BLANKET OF STARS

to bring together the power of the cosmos and create stellar, dazzling wines. We toast to these bright guardians that watch over us during our nightly harvests and twinkling endeavors. Cultivated and inspired by California skies, we shoot for the stars and our wines shine bright.

Big Sipper is built on California soil and our winemakers are rooted in soulful Italian tradition. Dario De Conti and Stefano Migotto grew up in Italy, where community comes together around the table. They brought this tradition to California with all the fiery passion you would expect from two Italians with over 50 years of combined experience.

A sultry late-summer evening, waiting for the onset of fall. Our harmoniously balanced Big Sipper California Red is an easy-drinking, velvet-gloved companion for those tender moments together. A lasting partner for roasted mushrooms, that perfect pasta, or even slow-roasted cuts, our Red is sinfully sumptuous at sundown.

*Under California skies,
come California wines.
We, guarded each night
by prominent watchmen,
most powerful and protective
in summer climes.*

*Under a cloak of vibrant
watchers we wait and grow, 'til the
moment when perfection is freed,
and we yield our bounty
to glass and goblet.*

*Under the Big Sipper,
we wines become yours. Big Sipper.
Tempt a taste of the stars.*
