WINE

OUR WINERY WAS BORN UNDER A BLANKET OF STARS

to bring together the power of the cosmos and create stellar, dazzling wines. We toast to these bright guardians that watch over us during our nightly harvests and twinkling endeavors. Cultivated and inspired by California skies, we shoot for the stars and our wines shine bright.

Big Sipper is built on California soil and our winemakers are rooted in soulful Italian tradition. Dario De Conti and Stefano Migotto grew up in Italy, where community comes together around the table. They brought this tradition to California with all the fiery passion you would expect from two Italians with over 50 years of combined experience.

A spring day in the glass. Where bright berries meet playful acidity in the perfect constellation of flavor and balance, Big Sipper California Rosé is the perfect companion for any picnic, day or night. Playfully paired with aged cheeses, delightful cured meats and veritable veggies, our rosé is tempting for touring and travel.

*Under California skies,
come California wines.
We, guarded each night
by prominent watchmen,
most powerful and protective
in summer climes.*

*Under a cloak of vibrant
watchers we wait and grow, 'til the
moment when perfection is freed,
and we yield our bounty
to glass and goblet.*

*Under the Big Sipper,
we wines become yours. Big Sipper.
Tempt a taste of the stars.*
