OUR WINERY WAS BORN UNDER A BLANKET OF STARS

to bring together the power of the cosmos and create stellar, dazzling wines. We toast to these bright guardians that watch over us during our nightly harvests and twinkling endeavors. Cultivated and inspired by California skies, we shoot for the stars and our wines shine bright.

Big Sipper is built on California soil and our winemakers are rooted in soulful Italian tradition. Dario De Conti and Stefano Migotto grew up in Italy, where community comes together around the table. They brought this tradition to California with all the fiery passion you would expect from two Italians with over 50 years of combined experience.

A seasonal balance of wintry pear, springtime citrus and lush summer peach, Big Sipper California White is the perfect companion for any sunset; and the welcoming of stars. Perfectly paired with grilled poultry, seared seafood and crispy cobblers, our white is built for the backyard.

*Under California skies,
come California wines.
We, guarded each night
by prominent watchmen,
most powerful and protective
in summer climes.
Under a cloak of vibrant
watchers we wait and grow, 'til the
moment when perfection is freed,
and we yield our bounty
to glass and goblet.
Under the Big Sipper,
we wines become yours. Big Sipper.
Tempt a taste of the stars.*
